

Press Printed Albums:

Press Printed Albums are flush mount albums with thick lay-flat pages and no middle gutter.

Unique to Press Printed Albums, the inside pages are printed on either Art Watercolor, Art Linen, Art Recycled, or Pearl press paper and adhered to heavy black cardstock. This allows each spread to lay flat with a thick and rigid look and feel. Pages are printed as full spreads and not cut so imagery and design elements are not lost in the center of the book! Press Printed Albums are available in fixed lengths of 20, 40, or 60 sides (10, 20 or 30 spreads) and are available in 6x6, 6x12, 8x8, 10x10, 12x6 and 12x12 sizes.

All Press Printed Albums are available in the full line of cover materials. This includes fabrics as well as many leather options. The very popular custom photo covers are also available with Lustre or Metallic photographic paper, and Fine Art Canvas or Metallic Canvas. All covers are wrapped around and adhered to masonite providing a heavier, more substantial album.
