

Press Printed Books :

These Press Printed Books are unmatched in print quality and craftsmanship! They are available in three paper options (standard, semi-gloss hinged, and pearl hinged) and several sizes including 5X5, 5X7, 8.5X11, 8X8, 8X12, 10X10, 12X12 and 11X14.

Covers:

All press book covers are made with masonite to give the book a smooth, substantial feel. For your cover you can choose from the following materials: fabric, leather, suede, or a custom photo cover in Lustré or Metallic. Photo covers are made with a photographic print that is laminated and adhered to the masonite cover. Additionally you could enhance the cover of your book with a photographic dust jacket.

Design:

Many designs are available (but may not be included in the price; it's about \$65 more depending on which design we decide on). Or you are welcome to design your own.

Paper:

Book pages are printed on either normal semi-gloss paper or hinged paper in semi-gloss or pearl. The hinged paper allows open pages to lay flat. Hinged paper can also be UV coated for added protection and a glossy look and feel. Books are priced as a base book with a cover and 20 printed sides. Additional sides are available.

Normal Semi-Gloss:

Hinged Pearl:
